Lokation:
Jaffestrasse 12, Dock 1
DE-21109 Hamburg

Are you passionate about planning and scheduling, and do you have experience in road container transport? Are you a positive communicator and do you keep your spirits high when things get hectic? Would you like to become part of an ambitious team in one of the best performing companies in its industry?

If so, we may have the perfect job for you in ANCOTRANS!

About ANCOTRANS

Our client, ANCOTRANS, operates in the transport and logistics industry with a focus on container road transport solutions. They also offer solutions in rail, intermodal and to a lesser extent tank and trailer. ANCOTRANS is one of Denmark's oldest family-owned and family-managed companies. They have around 900 trucks and 2000 chassis in daily rotation throughout Europe with offices in several key cities throughout their core markets in Germany, Benelux, Sweden, and Denmark. They have more than 450 employees and around 600 subcontractors, all of whom keep the wheels turning handling more than 335.000 yearly transports.

Currently, Denmark and Sweden constitute 2/3 of the activities, and Benelux and Germany constitute 1/3. But as ANCOTRANS is already the market leader in Denmark the biggest potential lies outside of Denmark with Benelux being an important strategic area.

To further strengthen the operations of ANCOTRANS in the Benelux area and as part of their growth journey, Landau Headhunting is now searching for three new Planners for the office in Rotterdam (Schelluinen).

Are you one of the new Planners for ANCOTRANS in the Netherlands?

We are looking for candidates with experience in (container) planning, who want to be part of the ANCO family, working from ANCOTRANS' Dutch site in Schelluinen. ANCOTRANS' vision is to become the leading container carrier in Europe. They will only achieve this with the right employees – and you might be one of them.

Currently, the Rotterdam site run a total of 75 trucks; 40 owned by ANCOTRANS and 25-35 subcontractors, and the number of subcontractors is expected to rise over the coming years.

Reporting to the Planning Teamlead, you will become part of a team of 4 (soon to be 6) planners in the Commercial & Planning Department consisting of 12 employees.

Daily scheduling is like juggling

As a Planner, you will deal with a wide range of tasks related to the daily operations. You will have close contact with drivers and customers in connection with the large number of container shipments, which are performed daily. Every day is different, and no days are boring! As a Planner, you are part of a growing operational team with full responsibility for the transports to and from the major container terminals and depots in the Netherlands and Belgium. Things move fast, and as a Planner you will also work closely with the other ANCOTRANS offices in Germany, Denmark and Sweden.

Are you one of ANCOTRANS' new colleagues?

If you become a new colleague in ANCOTRANS, you will also become part of one of the leading container transport companies in Europe, with its own offices in Gothenburg, Helsingborg, Copenhagen, Aarhus, Hamburg, Köln, Stuttgart and Rotterdam, and with a strong vision to grow further. It is a powerful group driven by the will to grow and the courage to change. On a daily basis, life is characterized by a focus on customer service, development and good results by ANCOTRANS' passionate employees. At the same time, all employees work hard every day to create a good working environment based on a set of values that everyone in the company knows.

Qualifications

Being the right candidate, we imagine that you possess the following qualifications:

- You have experience in container scheduling or similar.
- You keep your spirits high when things get hectic.
- You share the same values and want to help develop the company.
- You can communicate in a positive tone wherever you communicate.
- You are IT proficient (Microsoft products).

Are you one of the Planners we are looking for? Join the ANCO team! They can't wait to meet you (and admire your juggling skills)!

This is an exciting job in an international company that guarantees you excellent development opportunities and a high level of influence. The work environment is informal, and you are offered good working conditions incorporating flexibility and freedom with responsibility.

Interested?

Please apply soonest possible (in English) by clicking the "Apply" button and thereby uploading your CV and application. For any additional information, please contact Founder/CEO Mette Landau from Landau Headhunting by phone: +45 2190 2188.

Landau Headhunting will carry out the recruitment process. Therefore, all inquiries should be directed to Landau Headhunting. We will call in relevant candidates for interviews on an ongoing basis, and we reserve the right to call in candidates prior to the application deadline. We are looking forward to hearing from you!
